

Notice for Notary signature service!

Recently you received a letter from MPE HOA requesting your approval (with notarized signature) for an amendment to our CC&Rs relating to “Transfer Change.”

If you are still on the mountain, Val at Positive Change Inc. (367 2591) will gladly notarize the document sent to you without charge.

If you have left the mountain, back to your winter residence, getting the form notarized and then mailed back to Val at Positive Change is extremely important and appreciated by the Board.

Thank you for your support!
